MONEY? Less...about fifty thousand total, but GO down to about 8500. Meyla indicates we will get our next payment of \$7500 from the federal program and in reality we are in good shape. Just need to be careful.

## BOAT CONDITION:

Bear still needs its head holding tank fully plumbed; the Board voted to purchase a dehumidifier for about 200.00 which Adam will order; Gel Coat was dinged bringing it back to the dock and Lee is to ask Jim to check it out and see if we need to ask Carlos to fix before it gets worse; Tim is to top fuel in the spare can. Benjamin had its water pump replaced at owner expense, needs to have its fuel topped before next GO

and has its life raft now repacked.
