GLEAMING OCEAN

SAILS: The first class finished

with a great anchor out at China Camp, several boats rafted up, an experience that was both intense and delightful. All involved consider the first class a great success. The family graduation ceremony will be at Noon at Benjamin on May 3, 2009. THANKS TO PEGASUS AND PAUL FETHERSTON

FOR PROVIDING EXTRA BUNKING FOR THE STUDENTS AND CREW DURING RAFTUP!

Second Class begins April 18, 2009 with Galileo. Crew and students now selected BEN AND LEE CAPTAINS, CATHERINE, BOB B, LOUIE AND JENNIFER AS CREW. Once that is completed, we evaluate.

Boat Condition:

Bear has been dinged while in the berth by a power boater losing control. Six inch scratch and Jim Rumer, working with Adam, will get estimates for repair. Adam has authority to get the full repair and make demand on the other boater who was honest and came to the Harbor Master to report the accident.

ADMINISTRATION ISSUES

At our meeting in June we will discuss how to handle the radically larger responsibilities we have taken on with all our new programs which is straining the resources of our volunteers, especially Tim, Leonard and Cory who have to coordinate all this. There is no desire to hire an administrative assistant and the first hour of our meeting in June will discuss alternatives. **BE THERE TO CHART OUR COURSE.**
