In about two weeks Lee will send around the subcommittee volunteer list...SO CHOOSE NOW.

### EMERYVILLE SCHOOL DISTRICT SAILS FOR SUMMER:

**THEY ARE NOW EVERY OTHER WEDNESDAY OUT OF EMERYVILLE.** If interested in getting on board, e mail Ken at [kenjanke09@gmail.com](mailto:kenjanke09@gmail.com). who creates the crews for the sails.

### COMMUNITY GROUP SAILS:

Cory at [cory.artdreaming@gmail.com](mailto:cory.artdreaming@gmail.com) is usually the organizer for these. We have our next on November 12, 12-3 with the Galileo Science Club. These are often weekend sails and occur perhaps twice a month.

## GLEAMING OCEAN SAILS:

The sixth class goes well, these are three month mentor mentee courses in which high school students are paired with a volunteer who teaches sailing skills throughout the Bay from points of sail to safety, anchoring and, this year, having the opportunity to graduate to out the Gate as well. To volunteer for this, contact Lee at [lstimmel@stimmel-law.com](mailto:lstimmel@stimmel-law.com).
