Dear Mr. Stimmel:

I wanted to send a quick note to once again express my deep appreciation for the invitation extended by the Blue Water Foundation to representatives from the San Francisco Superior Court, our justice partners, and community based organizations to experience the wonderful opportunity Blue Water provides to our justice involved youth.

Having the opportunity to meet your experienced volunteers and enjoy the San Francisco Bay while engaging in team building exercises and activities is something that I hope all of our youth have an opportunity to experience. On behalf of Judge Flores and myself – thank you! We look forward to continuing to assist your organization in its collaboration with the Juvenile Probation Department.

With my warmest regards,

Hon. Monica F. Wiley
